Polls: A Battle Of People Vs. Power

Describes Gurupadaswamy

Mysore, Feb. 15

The ensuing election will give an important twist to the history of our country, Sri M. S. Gurupadaswamy, Janata Party leader, said here this morning.

Addressing his first formal press conference as party candidate, he said that the issues involved in the elections were "very great". One important and decisive challenge that the people had to answer was whether they would like to support the forces of tyranny and despotism and concentration of political power in the hands of one individual.

It was going to be a battle between people versus power, money versus men and authority versus liberty. He believed that the people would not blindly vote for a leader however the leader is charismatic, but would like to vote to a party which would ensure democracy and freedom.

Sri Gurupadaswamy said that the reverse flow had started in the ruling party. The latest exit of Smt. Vijayalakshmi Pandit from the Congress proved beyond doubt that the revolt had begun inNehru family itself. In Karnataka, the exit of seven important legislators yesterday definitely destroyed the stability of the Congress organisation. The Congress was facing crisis, not only in Karnataka, but everywhere, he said.

Therefore, it would not be a surprise to him if the Janata Party supported by theCongress forDemocracy captured majority of the seats in Lok Sabha. He felt that casteism and big money would not play their role as in the past. There was a universal feeling that Congress no longer represented the national consensus, he said.

The Janata Party, he said, had adopted him as a candidate from Mysore constituency. "My politics is the politics of malise to none and love for all. I start with this".

Sri Srikanta Sharma, City Janata Party President, appealed to the people to "Vote With A Note" to their party since the party lacked money. He expressed his confidence of winning both the seats in Mysore.

Sri M C. Basappa, District President, said that he saw great amount of enthusiasm among the people towards Janata Party.

Messrs M. Venkatalingiah, MLC, H. Gangadharan, Vedantha Hemmige, B. K. Athmaram and others were present.

Prevent Easy Access To Emergency, Adiga

Mysore, Feb. 18

There was an urgent need to take steps to prevent any declaration of emergency in the country in future except on genuine grounds, Sri Gopalakrishna Adiga, noted Kannada poet, said here last night.

Inaugurating the Janata Party campaign at Town Hall maidan, he said the declaration of emergency and curbing of freedom were the greatest harm done to the country. This had been possible because of the increasing concentration of power in the hands of a few.

At least now people should realise that the power to elect a government or to remove it vested with them and in discharging this duty they should not fail. From this point of view,. the present elections had become very crucial and important than the previous ones, Sri Adiga said.

He appealed to the people to make it their 'Vrata' or 'Dharma' to exercise their franchise and added while doing so they should vote to the right type of individual. They should take care to see that things that happened in the recent months were not repeated again. They should bring back a new atmosphere of freedom and liberty by extending their support to Janata Party, Sri Adiga said.

Sri M. S. Gurupadaswamy, party candidate from Mysore, described the Lok Sabha elections as the "second freedom movement" in the country.

Messrs A. Ramanna and Srinivasa Prasad spoke. Sri Vedantha Hemmige welcomed and Sri M.S. Srikantiah proposed a vote of thanks. Sri Krishnappa who came with plough, the symbol of Janata Party, was honoured at the outset.

Forum Merges With Janata Party

Mysore, Feb. 18

The "Progressive Socialist Forum", founded in 1974 by a group of erstwhile PSP workers headed by late G.V. Anjanappa, has decided to merge with the Janata Party according to Forum Secretary C.N.N. Murthy.

This decision had been taken with a view to lending their full support to the consolidation of Opposition parties in the State and the country, he said in a statement yesterday.

The Kannada Paksha headed by Sri H.K. Anantna has decided to merge with the Janata Party.

Patil's Challenge To Urs

Mysore, Feb. 21

Janata Party State President Veerendra Patil charged yesterday that the Devaraj Urs Ministry was corrupt and if he failed to prove the corrupt charges he had made as early as in 1972 against the Ministry he would quit politics and take political 'sanyasa'.

Addressing a mammoth public meeting at Town Hall maidan, he said that he had written to the Prime Minister pointing out certain corrupt practices by the Urs Ministry in 1972. But she had not even acknowledged his letter, he regretted and added that he was prepared to prove the charges even now with documentary evidence.

Urging the need for a clean and efficient Government, Sri Patil said the report of the State Public Undertakings Committee indicated the vastness of corruption in the State.

Stressing the importance of the Lok Sabha elections, he appealed to the public to consider all the happenings in the country during the last 19 months and vote to the candidate whom they thought suitable. "This election is crucial. You have to write the fate of the nation and thus your own fate. The world is anxiously looking at the outcome", he said.

Sri Patil had a dig at the Chief Minister and said he had taken the electorate for granted in giving the verdict that all the 28 seats would go to the Congress.

He also criticised the Centre for not holding elections simultaneously for Lok Sabha and State Assemblies and wasting public funds.

Messrs V.H. Gowda, Arshad, M. Sathyanarayana Rao and M. S. Gurupadaswamy spoke. Sri Vedantha Hemmige welcomed and Sri S. Srikanta Sharma proposed a vote of thanks.

READERS' FORUM

WHY THIS APATHY ?

May I, on behalf of the public, who are suffering every day, bring to the notice of the KSRTC authorities the immediate necessity of changing the venue of the City Bus Stand ?

The summer has set in. The shelter-less Gandhi Square Bus Stand will make Gandhiji weep by seeing so many passengers, including women, children and old people, stand for hours in the scorching sun. If things continue like this there, one need not wonder if sunstrokes take place and for which the KSRTC authorities alone will be held responsible.

Therefore, on behalf of the public, I urge upon the KSRTC authorities to show consideration to their commuters at least now by immediately shifting the City Bus Stand back to Curzon Park premises, where there are all facilities

CM Taunts Booing Crowd

Mysore, Feb. 26

Constant. jeering and booing marred Chief Minister Devaraj Urs' inaugural speech o the Congress election campaign at TownHall maidan last night.

Sri Urs taunted often the section of the gathering which went on interrupting his speech and also the speech of Sri B. Basavalingappa, AICC Special Representative.

He bluntly told the Opposition that shouting and showering of abuses were not the way to express dissent. It was not a civilised or democratic way of showing their opposition. They should go out and hold their own meeting and place their views before the public, he said.

At one stage, when shouting and booing continued, he warned that their meeting could also meet the same fate.

Many of the youth resorted to shouting slogans against the Congress and Smt. Indira Gandhi. The police, who were present in large numbers, made repeated efforts and chased them away towards the KSRTC Bus Stand.

In the course of his speech, Sri Urs explained the achievements of the State during the last five years. The Centre had sanctioned Rs. 14 crores to the State Government for paying compensation to the poor who had lost lands under the Land Reforms Act, he said.

CRORES OF RUPEES MISUSED IN STATE

Deve Gowda Demands Probe

Mysore, March 3

The Public Accounts Committee of State Legislature had unanimously recommended judicial inquiry under the Commission of Enquiry Act into several cases of corruption and misuse of funds amounting to crores of rupees in the State, Sri H. D. Deve Gowda, Vice-President, State Janata Party and leader of the Opposition in the State Assembly, disclosed here this morning.

Addressing a news conference, he said the committee consisting of 10 Congress and 5 Opposition legislators had submitted two reports, in the middle of 1975 and in the first week of January 1976, pointing out currupt practices in various departments including forest, social welfare, food and Public Works Department. "The scandal relating to Marketing Federation alone runs to Rs1.5 crores".

The committee, of which Sri Deve Gowda himself is the chairman, had made specific charges on the Nirmala Engineering Company. It had recommended probe by Central Bureau of Investigation on certain transactions like those of Mysore Sales International, he said.

The Opposition leader charged that the State Government had not taken any action to implement the unanimous recommendations of the Committee so far and urged the Prime Minister to immediately order judicial inquiry if she had "respect and regard for the report of the committee and want to maintain good democratic convention".

Sri Deve Gowda assured that if the Janata Party came to power it would definitely take up the matter. A similar assurance had already been given by their leader Morarji Desai, he said. He categorically said that his party would not admit any of the Ministers involved in these affairs if they intended to join the Janata Party.

He described the implementation of Havanoor report on the eve of elections as an "Election Stunt". He also described the 20 point programme as "old wine in a new bottle". Wherever he went he saw people in large numbers expressing their support to the Janata Party, Sri Deve Gowda said

Majority In State Also

Says Gurpadaswamy

Mysore, March 7

The Government of India was interfering in the religious affairs of the minorities of late, charged Janata Party candidate M. S. Gurupadaswamy this morning.

Addressing a news conference, he alleged that the Government had recently passed an order that in future the appointment of Bishops to various dioceses in the country should be done after its consent.

This had caused vacancies in about 90 places and no Bisohps had been appointed so far. "I am even told that the Pope is very much annoyed with the attitude of the Government of India", he said.

Making the Janata Party stand clear, he said that his party was committed to the appoinment of the commission on minorities. He urged the Government to restore status quo ante in respect of the appointment of Bishops.

The formation of a Janata Party Government at the Centre was a sure bet. Even Karnataka which had given all the 27 seats last time to the Congress, would give a big surprise. "I am very much sure we are going to have the majority in Karnataka also", he said.

Sri Srikanta Sharma, who was present at the press conference, complained that his party's election office in Kesare had been ransacked last night. Sri Gurupadaswamy appealed to his party workers to conduct the election campaign in an atmosphere of peace and calm and not to be provoked by any instigations. He urged the University authorities to postpone the examinations by a month.

ONE MORE MLA TO JOIN JANATA

Mysore, March 7

Another MLA from Mysore district is likely to join the Janata Party. The independent MLA, who was present at the press conference of Sri M S. Gurupadaswamy this morning, said that he would announce his decision to join the party on Wednesday.

Mighty Wave In Favour Of Janata

Mysore, March 8

Sri Shanti Bhushan, eminent Supreme Court advocate, appealed to the people here yesterday to give the Janata Party the required two-thirds majority for enabling it to get rid of those Constitutional amendments which had "suppressed the rights and voice of the people".

Addressing a huge public meeting at TownHall maidan, he said that wherever he went he was witnessing a mighty wave in favour of the Janata Party. The Janata wave was 10 times or 20 times bigger than the Indira wave of 1971, he said amidst cheers.

In his hour-long speech, Sri Shanti Bhushan strongly condemned the "atrocities committed on the unarmed people" during the last 19 months Efforts had been made to institutionalise the emergency itself, he said.

Referring to the criticisms made by the Prime Minister against Sri Jagjivan Ram, the leading advocate said that Smt. Gandhi had no business to criticise Sri Ram, who had only resigned to the party after the dissolution of the Lok Sabha, when he was no longer a member. How could this be an act of fraud he questioned and said that Sri Ram had done the most straight forward act that any person did under normal circumstances.

Sri Thimmappa Bhatta, a student of Maharaja's College, presided Sri Srikanta Sharma welcomed the gathering. Earlier, a huge procession of students was taken out from the Subbarayanakere shouting slogans in favour of Sri Jayaprakash Narayan and the Janata Party.

Not Quitting Congress
Asserts DCC (R) Chief

Mysore, March 9

Sri S. Puttaswamy, President, Mysore City Rural District Congress Committee, today strongly denied the rumours that he was resigning from the Congress.

Speaking to newsmen, he said that the reports which were being spread in Chamarajanagar constituency that along with a few others he would be resigning from the Congress was "misleading and mischievous".

Teachers' Disappointment

Mysore, March 9

The recent announcement of the State Government that the benefit of U.G.C. scales of pay would be extended to teachers working in the four universities besides two other institutions in the State, with effect from January 1, 1977, had caused a grave disappointment to the teaching personnel, states Sri M. Sathyanarayana Rao, President of the State Federation of University and College Teachers' Associations.

In a statement issued yesterday, Sri Rao stated that it was unfortunate that the State Government should have ignored the University Grants Commission and Central Government recommendation for the implementation of these scales from January 1, 1973, and denied their benefit to teachers in Karnataka for a period of four years even though the Centre had offered 80 per cent financial assistance to States for a period of six years.

Congress Will Sweep In State
Says HMC

Mysore, March 9

The Congress will sweep the polls in the State this time also, Health Minister H.M. Channabasappa said here today.

Addressing a press conference, he said that although he could not say that the Congress would win all the 28 seats in the State, he was confident that his party would win majority of the seats.

When his attention was drawn to a circular issued recently by the Assistant Educational Officer of the city fixing family planning targets to school teachers, he said he had already instructed the authorities to withdraw the circular. There should be no compulsion whatsoever, he said. As regards instances of excesses, the Minister assured that he would inquire into all such instances if brought to his notice.

Sri Channabasappa criticised the Janata Party leaders and said they had become "victims of over-ambition".

The 14 constituencies which are going to polls on Wednesday are Chamarajanagar (in Mysore district), Kanakapura, the largest constituency, Udupi, Bidar, Gulbarga, Raichur, Chitradurga, Chikkaballapur, South Kanara, Dharwar South, Belgaum, Chikodi and Bijapur. There are 10,493 polling booths.

The reserved Chamarajanagar constituency consists of the following eight Assembly constituencies, Hanur, Kollegal SC), Bannur, T. Narasipur, Nanjangud, Santhemarahalli (SC) Chamarajanagar and Gundlupet. There are 6,07,670 voters, consisting of 3,12,301 men and 2,95,360 women. As many as 776 polling stations have been set up as against 755 in 1971. The total electorate has increased by 1,22,486 between 1971 and 1977 Parliamentary elections.

Although there are five candidates in the fray, the main contenders are Messrs B. Rachiah of Congress, V. Srinivasa Prasad of Janata Party and Dr. N.C. Biligiri Rangiah (Independent). In 1971 elections, there was a similar triangual contest between Messrs S.M. Siddiah, who belonged to Congress (R) then, Dr. Biligiri Rangiah (then Congress-O) and Sri Nanjundaiah (Ind.). While the independent candidate lost his depost, Sri Siddian won by securing 1,68,894 votes.

Sri Srinivasa Prasad, who is 28 years' old, appears to have a slight edge over his rival Sri Rachiah. The Congress circles claim that their candidate will win with a difference of 70-30.

The remaining 14 constituencies will go to polls on March 19.

How To Vote?

Mysore, March 18

After the last general election to the Lok Sabha in 1971, the form and design of the ballot paper have changed. The new design of the ballot paper will have a counterfoil at its top.

After your name is traced in the electoral roll by the polling officer, your left fore-finger will be marked with indelible ink. Thereafter you will be given one ballot paper

On this ballot paper you will see the names of the candidates and against the name of each candidate, his symbol.

With the ballot paper given to you by the polling officer, proceed to the next table The polling officer will take back the ballot paper and fold it twice first vertically and then horizontally. He will then unfold the ballot paper and return it to you together with an inked rubber stamp

Take the ballot paper and the rubber stamp and go inside the voting compartment Only one member is to be elected and you should therefore mark only for one candidate Place the ballot paper on the table and mark with rubber stamp clearly on the symbol of the candidate for whom you wish to vote

Do not mark on more than one symbol. Do not mark on the back of the ballot paper or sign or write If you do any of these, your ballot paper will be rejected.

After marking, fold the ballot paper in the same way it was previously folded and come out of the voting compartment Drop the folded ballot paper into the ballot box kept on the table and return the rubber stamp to the polling officer sitting there.

If you have any doubt or difficulty, do not hesitate to ask the Presiding Officer. He is there to help you

BRISK POLLING IN CITY

Mysore, March 19

The polling, which began in the city this morning, is taking place briskly. It is also peaceful, according to the police.

In a large number of booths, the polling was very heavy. Around 2p m. it was about 40 to 45 per cent. In a booth at Saraswathipuram, 508 voters out of 1100 had cast their votes. In Vani Vilas Mohalla, the voting was 438 for 111 , 413 for 953, 34 for 1053 and 463 for 105 , in four booths. Similarly, polling was heavy in Mandi Lashkar and Devaraja booths. The overall percentage is expected to be between 60 and 65.

Tension prevailed in Vidyaranyapuram for some time when some Janata Party supporters deflated the tyre of an Agarbathi Factory van. They alleged that the van was bringing people to vote for Congress

Some Janata Party workers are also stated to have prevented a Congress leader who allegedly tried to distribute money tosome voters in the early hours today.

Chief Minister Devaraj Urs cast his vote in his home constituency, Kallahalli, in Hunsur taluk.

Morarji - New Prime Minister

Sri Morarji Desai, Chairman of the Janata Party, will be the new Prime Minister of India, succeeding Smt. Indira Gandhi.

Sri Desai was unanimously elected leader of the Parliamentary Party consisting of the Janata Party and Bharatiya Akali Dal members at the historic Central Hall of Parliament Bhavan, this afternoon. Sri Desai will be sworn in at 3-30 p.m.

There was thunderous cheers when his name was announced by Acharya J B. Kripalini. Later, his name for the leadership was proposed by Sri Raj Narain and seconded by Sri A. B. Vajpayee. CFD Chairman Jagjivan Ram was not present when the announcement was made.

Earlier, the members of Janata Party-Akali Dal and CFD unanimously authorised Sri Jayaprakash Narain and Sri Kripalani to advise them on the choice of the new leader. Sri C.B. Gupta presided over the meeting. SriJagjivanRam was present. His Party has decided to remain separate.

In the morning, the new members took a mass pledge at Rajghat, before the Gandhi Samadhi, to fulfil the task begun by the Father of the Nation. Sri Narain administered the oath. Messrs Morarji, Jagjivan Ram, Kripalani and Smt. Vijayalakshmi Pandit were present.

Plea For Probe Into "Poll Rigging"

Mysore, March 24

Janata Party leader M. S. Gurupadaswamy has urged the Election Commission to conduct a thorough probe into the charges of misuse of official machinery, large-scale corruption and conduct of Chief Minister Devaraj Urs during the period of Lok Sabha elections in the State, particularly in Mysore, and order re polling.

In a statement today, Sri Gurupadaswamy, who was the Janata Party candidate from Mysore, said that information had reached him from various constituencies in the State and from his own constituency that official machinery and money were used recklessly by the Urs Government to influence the voters in favour of the Congress candidates.

"In my own constituency, it has come to my notice that Sri Urs himself supervised the distribution of sarees, utensils, foodgrains and money. The official machinery was pressed into service and in some polling booths some police officials were seen by our people canvassing for the Congress candidate. Besides, large saale impersonation was allowed deliberately inspite of protests", he alleged.

The Janata Party leader also alleged that large number of bundles of ballot papers, marked and unmarked on backside of the ballot paper, were found in the ballot boxes at the time of counting of votes Besides, the seals of many ballot boxes were not to be found. These had been recorded by the Returning Officer.

During the counting, the tally of votes polled and votes entered in the statements was not done All these showed that there had been deliberate collusion between the Government, the party and the officials in rigging the election, he charged

Sri Gurupadaswamy urged the new Janata Party Government to immediately reconstitute the Election Commission with three jurists as envisaged in Constitution. He also expressed his gratitude to all the voters who had voted for his party.

Sri Gurupadaswamy is leaving for Delhi to attend the party's working committee meeting on March 27.

The Government had succeeded in launchiug massive programmes. Harmony existed in the industrial sector between labour and management. In conclusion, he had every reason to hope that the endeavour to redouble the efforts to fulfil the high expectations of the people of the State with an even greater measure of socio-economic well-being would continue in the coming year, he said.

Sri Dikshit welcomed all the members who had just returned from the election campaigning and through which they had been able to renew contact with the people. ST, Entertainment Levy Up

Bangalore, March 28

Finance Minister Ghorpade has outlined certain measures, including additional sales tax on dealers and levy of entertainment tax, to the tune of Rs. 1.05 crores in the 1977-78 budget presented to the Assembly on Saturday.

The new measures bring down the deficit from Rs. 38.20 crores to Rs. 32.15 crores. About Rs. 5 crores are expected as State's tax share from the Centre. Sri Ghorpade hopes to fill the remaining gap through normal buoyancy in receipts and improved collections. It was also proposed to observe non-plan economics and take such other measures so that maximum resources became available for development programmes.

The additional sales tax is leviable only on dealers whose turnover is Rs. 10 lakhs and above a year. The levy of entertainment tax will be on theatres located in places with a population of 10,000 and below.-(FOC)

Senate Members Criticise Varsity Appointment

Mysore, April 7

The elected Senate members and Professors of the Mysore University are reported to have strongly condemned yesterday the appointment of Dr. K. L. Shrimali, as a Visiting Professor in the university.

Vice-Chancellor D. V. Urs had convened the meetings of the Post-Graduate Council, which consists of Professors and Principals of the constituent colleges, and the elected Senate members separately, where the controversial issue is said to have mainly figured.

While Drs. Nadig Krishna Murthy, J.S. Paramashiviah, H. M. Nayak, Sanke Gowda, L. Basavaraju, C.K.N. Raja, Raja sekhara Setty, R.P. Misra, Ghori and Anniah Gowda are reported to have supported the Vice-Chancellor's decision in appointing Dr. Shrimali, Drs Parvathamma, Mallikarjunappa, Siddalingiah, Mahadevappa, T.R. Ramaiah, K.B.Y. Thotappa and Marula Siddiah are said to have vehemently criticised the appointment.

Two Professors, Dr M. N. Viswanathaiah and Puttamadappa, are said to have maintained the stand that the Professors should not be involved in this controversial issue since they had not been consulted while making the appoinment.

In the other meeting, almost all the senate members present, excepting Dr. Nadig Krishna Murthy and Sri T.V. Srinivasa Rao, are reported to have strongly opposed the appointment of Dr. Shrimali. They are said to have raised other issues like Operation Bharani, reinstatement of suspended staff of the Institute of Correspondence Course and 'wasteful expenditure' on parties in a posh hotel and criticised the university. The members included Messrs Renuka Prasanna, Chandi Puranik, who were voiciferous, B. K. Athmaram and Siddalingiah.

The press statement which the Vice-Chancellor had assured to issue on the appointment of Dr. Shrimali however, did not come out yesterday.

PLEA TO END CONTROVERSY

Mysore, April 9

Sri M. Sathyanarayana Rao, ex-MLC and President of the State Federation of University and College Teachers' Associations has called for an end to the public controversy over the recent appointment of Dr. K.L. Shrimali as Visiting Professor in the University of Mysore.

In a statement issued here yesterday, Sri Rao said the fact that Dr. Shrimali contested and lost the recent Lok Sabha elections as a Congress candidate should not blind teachers and the public to the outstanding services rendered by him to the cause of education formerly as Union Minister for Education and latterly as Vice-Chancellor of Mysore and Banaras Hindu Universities.

Besides, the appointment of Dr. Shrimali had no connection whatsoever to his affiliation with the Congress Party and was not made subsequent to his defeat in the elections. His appointment was made in December last when nobody knew that the Lok Sabha elections were being slated for March this year, he said.

REJOINDER

In a rejoinder, Sri K. V. Srinivasan, Joint Secretary, has described the statement of Sri Rao as "misleading and unethical".

In a statement today, Sri Sri Srinivasan said he wished to clarify that the Federation General Council had not met to express its view on the appointment of Dr. Shrimali.

Suggestion Misleading

Basavalingappa Describes Sundarayya's Suggestion

Mysore, April 11

Sri Basavalingappa, AICC Special Representative, described here today the suggestion of Sri P. Sundarayya, member of CPM Politburo, on the President's power to alter the term of Assemblies as "a misguiding wrong interpretation".

Addressing a press conference, he said the clause provided in the 42nd Amendment of Constitution was to empower the President to remove any impediments that might arise in the implementation of the 42nd Amendment. It did not empower him to change the position or term of a democratic set up like the Assembly.

Sri Basavalingappa said he was receiving complaints that tenants weaker sections and members o minority communities were being harassed after the Lok Sabha elections and criticised the Janata Party workers for this.

He appealed to them to adjust to the spirit of times and tolerate the changed behaviour of the weaker sections, particularly Scheduled Castes and minorities He also appealed to the police to maintain the rule of law and take steps to protect the victims of such unruly behaviour.

Sri D. Jayadevaraje Urs, City Congress President, criticised the warning of Sri Balakrishne Gowda that they would offer Dharani Satyagraha in Delhi if the Centre failed to set up a commission of inquiry to inquire into the corruption charges against the Devaraj Urs Ministry.

Palace Thrown Open To Public

Mysore, April 11

The famous Maharaja's Palace, which could be viewed only by distinguished visitors, was thrown open to the public view yesterday.

Declaring it open for the public view, Divisional Commissioner Samuel Appaji said that with the addition of Palace as a tourist attraction one more jewel had been added to tourist spots in the city. The people of Mysore should be grateful to the royal family for this.

The throne was a priceless possession and adequate safety measures had to be taken before it was kept for public view, he said. It was intended to make the Palace a centre of fine arts also. Among the valuable collections was a pipe organ, the second largest in the world.

He hoped the Jagan Mohan Palace and the Mysore Palace would be fused into one in due course of time

Sri Srikanta Datta Narasimharaja Wadeyar, who presided, said the royal family had handed over the Palace to the Government on March 7, 1976, to maintain and develop it as a great centre of cultural heritage of Karnataka.

Director of Archaeology and Museums M S Nagaraja Rao welcomed the gathering.

V-C Defends Appointment

Mysore, April 12

Vice-Chancellor D. V. Urs has defended the appointment of Dr. K. L. Shrimali as a Visiting Professor under the Krishnaraja Wodeyar Visiting Professorship.

In a four-page statement yesterday, Sri Urs said that Dr. Shrimali was recognised as one of the foremost in the field of education in the country, having served in various capacities. He had also contributed a great deal to the development of Mysore University.

It was indeed ironic that a person like Dr. Shrimali who always recognised the right to dissent in the academic community should now become the centre of a controversy. It was a recognised fact that in a university there should be the fullest possible freedom for expression of opinions of all kinds. If this principle was to be given up, it would only mean that the university community would be forced to express only those opinions which are currently in vogue, he said.

The Vice-Chancelor also pointed out that Dr. Shrimali's appointment had been made well before the Lok Sabha elections, when he was the Vice-Chancellor of Banaras Hindu University.

Water Rate Increase Opposed

Mysore, April 14

The proposal of the City Municipality to double the water rate from 75 paise to Rs. 1-50 per 1,000 gallons has been opposed by three former Municipal Presidents, Messrs K. Puttaswamy MLA, H. Kempe Gowda and B.K. Puttaiah.

In a statement yesterday, they said that Mysore enjoyed the natural advantage of being almost on the bank of the Cauvery which is an unfailing source of water supply. Even if there was a case of enhancement of rate, it should be marginal and not 100 per cent.

Besides, in the absence of a duly elected Council, it would not be fair or proper for the Municipal Administrator to take such a decision, they said.

"We hope that even now he would consider dropping the proposal and leave the question to be decided by an elected body", they added.

It may be recalled that the appointment has given raise to a raging controversy in university and college teachers' circles here

Sri Sathyanarayana Rao has clarified that his appeal for an end to the public controversy over the issue made last week reflected his own individual view point and not of the Federation

Congress Opposes Water Rate Hike

Mysore, April 20

The City District Congress Committee has urged the Municipal Administrator to give a second look to the proposed changes in the bye laws with a view to enhance the water rates

Regarding the need to enhance the water rates, it was of the opinion that the whole question needed a scientific approach and not an ad hoc arrangement.

B.C. LINGIAH DEFENDS ENHANCEMENT

Sri B.C. Lingiah, member, Municipal Advisory Council, on Monday justified the proposal of the Municipality to enhance the water rate.

Addressing a press conference he said the increase had become inevitable in view of the implementation of the Rs 3 45 crore third stage water supply scheme for which the LIC had advanced Rs 2 crores.

Kalale As Tourist Attraction

Sir,–In order to devolop tourism in Karnataka, the State Tourism Development Corporation should take trouble of finding out a large number of places spread all over Karnataka and improve them.

One such place for example is Kalale. Located on the Bangalore-Ooty Road near Nanjangud, Kalale is an ancient seat of Kalale family, who are famous in Mysore History. After a long and prosperous rule by them, Kalale was annexed to the then Mysore State by Sri Raja Wodeyar from the hands of Karikala Mallaraja.

One of the members of this royal family, Sri Lakshmikantharaj Urs, died in 1550 and his wife, Smt Lingajammanniavaru did Sahagamana with her beloved husband. This is memorialised by the construction of a Gaddige with a temple round about. The temple door has fine carving depicting rare scenes. Similarly there are many monuments scattered round about Kalale.

The Corporation should bring out a guide book so that visitors proceeding to Ooty are attracted to this historic place.

The 20-point programme will be continued to be vigorously implemented, Deputy Commissioner M. Arya Mitra said today.

In Mysore district, about 10 to 15 incidents of harassment had been reported. Some persons had been arrested also, Sri Arya Mitra said.

The Deputy Commissioner inaugurated an exhibition kit on Mysore District, prepared by the Department of Information and Publicity at the Exhibition Buildings. Ten panels highlight the developmental programmes in the State. Divisional Information and Publicity Officer K. Vijaya Kumar welcomed the gathering.

Mysore, April 21

Sri D. Jayadevaraje Urs, General Secretary, Dasara Industrial and Cultural Exhibition, yesterday refuted the allegations made by Sri R. G. Shamanna, former Secretary of All-India Exhibitors Association, regarding the Dasara Exhibition.

In a statement, Sri Urs said the Exhibition committee had kept its accounts properly and the audit of accounts for the first year had been completed. Copies of the same had been sent to the Government. The accounts of the last year Exhibition were being audited.

Sri Urs strongly criticised the statement of Sri Shamanna and accused him of being irresponsible in attempting to organise a strike of the stall holders.

JP Delegation Meets Civic Chief

Mysore, April 2

A delegation of Janata Party leaders met the Municipal Administrator on Tuesday and demanded that the proposal to increase the water rates should be dropped.

The Administrator is reported to have said that the increase for domestic use would be from 5 paise to Rs. 1.03 per 1,000 gallons and not to Rs. 1.50 as reported in the press. It may be recalled that the Administrator had said in his press conference a few days ago that the water rates would be doubled.

The delegation consisted of Messrs Srikanta Sharma, Vedantha Hemmige, A Ramanna, R G. Shamanna, P Mallesh, K.N. N.Murthy, Srinivasa Prasad, Sri Harsha and P.R Srinivasa Murthy.

Dissension In City Congress

New Office Bearers To Be Set Up ?

Mysore, April 22

Following vehement criticism by the party members, the entire set up of the Mysore City District Congress Committee is expected to be changed soon.

The criticisms, particularly relating to the Dasara Exhibition, resignation of some Congressmen from the party and 'bossism' of some 'monied persons', were voiced in the party meeting on Tuesday, it is learnt.

The party's General Secretary, Smt. Soundaramma Venkatesh, is said to have spear-headed the attack against her own President, Sri Jayadevaraje Urs, for involving himself and the party in the Dasara Exhibition and the fund collection drive or the mid-day meal programme. Another strong critic was Sri Azeez Sait.

A reference was also made to the charges levelled by Sri R.G. Shamanna, former Secretary of the All-India Exhibitors' Association, regarding 'irregularities' in the conduct of the exhibition. Members are reported to have urged upon Sri Urs to reply to the charges made by Sri Shamanna Besides levelling some charges, Sri Shamanna has urged the Government to institute a judicial enquiry into the 'irregularities'.

The protest made by seven Congressmen, including Sri B K Puttiah, ex-MLA, while resigning from the membership of the party, that the party leaders in the city were behaving in an "unhealthy and undemocratic attitude" also came up for discussion, it is learnt.

There was a general feeling that the Congressmen who had resigned from the party were loyal and sincere workers and the party President should have prevailed upon them to continue in the party.

Following these charges, Sri Jayadevaraje Urs was reported to have offered his resignation to the Presidentship. So also, Smt. Soundaramma too made an offer to quit the General Secretary's post, it is understood.

The meeting, after considerable discussion, decided to set up a committee with Messrs Tulsidas Dasappa, MP and Azeez Sait, MLA, to form a new set of office-bearers soon, it is said. Smt. Soundaramma is reported to have already submitted her resignation.

LEADERS TO QUIT CONGRESS

Meanwhile rumours are thick again that some of the leading Congressmen in the city are likely to quit the party in the next few days

Bangalore, April 27

The Centre's move to set up a commission of inquiry to investigate into the charges against the Devaraj Urs' Ministry ecohed in the Legislative Council today.

Opposition members led by Sri Bommai and Sri Krishna Iyer drew the attention of the House to the report that Union Home Minister Charan Singh had sought the comments of Sri Urs on the 36 allegations made against him and his Cabinet colleagues.

They demanded immediate resignation of the Cabinet to "pave way" for easy conduct of the proposed inquiry. Following this there was heated discussion.

Several Congress members including Messrs T.N. Narasimha Murthy, Raghupathy, H T. Reddy, Kallannanavar and Sivappa strongly defended the Urs Ministry and said the charges had been proved "baseless". The proposed move for inquiry was "politically motivated", they charged. They expressed implicit faith in Urs' Ministry.

Finance Minister Ghorpade, who replied after the general discussions on the budget, emphatically said that there was no need for the Ministry to resign since there was no such instance

DIRECT ACTION BY TEACHERS

Mysore, April 29

Teachers in private college affiliated to the University of Mysore are contemplating "direct action" to press the Government to concede some of their more important demands pending for the past several years.

This decision was taken at a meeting of the working committee of the Mysore University Private College Teachers' Association which met here yesterday. Sri A. Sathyanarayana Rao, President, was in the chair.

The Association said, in a resolution, that the private college teaching community were disturbed over the fact that while there was no regular disbursement of salary to employees in a large number of private colleges in the State every month, there was the serious problem of non payment and under-payment of salary in as many as 25 to 30 colleges in the Mysore University area alone.

Silk Fraud-Workers Reply

Mysore, May 10

The Employees Union of the Government Silk Factory here has characterised Sericulture Minister Sri Sriramulu's allegation of defalcation in the factory as 'misleading'.

Addressing a press conference yesterday, Sri C. J. Devanath, President of the Union, said that the Ministers charge that defalcation to the tune of Rs. 7 crores had taken place in the factory was baseless and misleading since his entire reasoning was hypothetical.

Sri Devanath said that the Minister's assessment that 20 metres of cloth could be produced out of one kg. of yarn was not correct and this could be done only at the cost of the quality. According to Sri Devanath, only nine to ten metres of cloth could be produced out of one kg of yarn and this was being done right from the day factory started. "Based on the hypothetical figures, the Minister has alleged fraud. If he takes up the figures for the last 40 years, the Minister may say the fraud has been in the order of Rs. 28 crores", he added.

When questioned on the propreity of the Union leader acting as spokesman of the management in answering the charges, Sri Devanath said since the management had not clarified the position, it was for the workers, who had a stake in the reputation of the factory, to give the correct picture

Urs Questions Centre's Powers

Bangalore, May 14

Chief Minister Sri Devaraj Urs has questioned the powers of the Central Government to exercise control over the acts of a Council of Ministers of the State.

In an elaborate reply to the Union Home Minister, who had written to him to comment on the charges made against the Urs Government by the Opposition, Sri Urs claimed that the inquisitional investigation into the conduct of a Council of Ministers of a State by an extra-constitutional agency would destroy the basic character of the Cabinet system and rob the legislature of the State the constitutionally guranteed right of having a Government of their choice.

In his reply Sri Urs has at length replied to the charges levelled against him and said these charges were baseless frivolous, malafide and politically motivated

Chamber's Protest

Mysore, May 25

The Mysore Chamber of Commerce and Industry has expressed its great concern over the proposed enhancement of the water rates for both domestic and non-domestic users by the Municipality.

While strongly protesting against the proposal, it has urged the Municipality to drop the move in the interest of the city.

In a letter addressed to the Administrator, Chamber Secretary R Vasudevamurthy has pointed out that industries were already burdened with high rate of interest, power cut and raw material scarcity. It would be a disincentive if the water rates were also increased.

He has also urged that free allowance to demestic consumers should be continued as hither to. He has suggested various measures to augment the resources of the Municipality.

He described the Chief Minister's action in appointing the Mir Iqbal Hussain Commission as a political stunt and a farce. The terms of reference entrusted to the commission were "distorted", Sri Hegde said and defended the appointment of the Grover Commission.

WORKING OF TRUST BOARD CRITICISED

Mysore, May 31

A strong attack on the working of the City Improvement Trust Board was made in the City Municipal Advisory Council meeting by Sri D. Jayadevaraje Urs, MLC and President, City Congress Committee, yesterday.

Sri Urs accused the Board of selling away lands reserved for parks in the new layouts. They had been sold as stray sites to private parties, he said and urged the Municipality to prevent such sale of lands set apart for parks.

Continuing his criticism of the Board, he said that the footpath area in the Devaraj Urs Road, where a new shopping complex was coming up, was being reduced by three feet. This was totally opposed to the plan as approved by the Government architect.

He also alleged that the Trust Board had demanded Rs. 6 lakhs from the Police Department which had come forward to maintain one of the parks. He also criticised the "indifferent attitude" of the Trust Board in setting up the toy train.

Sri Azeez Sait, MLA, criticised the Municipality for neglecting the development of the city, which was known for its beauty and cleanliness. He demanded the shifting of the mofussil bus stand to the suburban bus stand so that the city service bus stand could be located in the Central Bus Stand.

He also urged the Municipality to take up the expansion of the Devaraja Market as outlined in the master plan.

Another member to criticise the Municipality was Sri M. Venkatalingiah, MLA, who said that the Municipality had ignored the civic needs There was increasing corruption in the Municipality, he charged.

Sri B C Lingiah regretted that the Mysore Zoo was being neglected by the Directorate of Wildlife

Several other members also criticised the working of the Municipality. Municipal Administrator B S Muddappa was in the chair.

READERS' FORUM

A SURPRISE CHANGE

Sir -The road that connects K. R. Circle and Deputy Commissioner's office is named as "D. Devaraj Urs Road". The original proposal was to name the Road as "Wadeyar's Road" by placing a marble statue of Sri Jayachamaraja Wadeyar on this road. This is a surprise change made by the City Improvement Trust Board during the emergency.

Now the question arises why this change was made by the CITB. Moreover, we have no memorial in honour of the late Sri Jayachamaraja Wadeyar. So, I humbly request the CITB to name the new road as originally intended and honour Sri Wadeyar.

Varuna Canal Defended

Mysore, June 6

Achkatdars in Mandya district would not suffer if the Varuna Canal project was taken up, Mysore Rural District Congress Committee President S. Puttaswamy said yesterday.

Addressing a press conference, he said the State was bound to supply 9 tmcft of water from KRS to Tamil Nadu. Now, by taking up Varuna Canal, this amount of water would by supplied from Kabini reservoir. Even the water required for power generation at Shimsha would be supplied from Kabini. By this, the extent of area that would be irrigated by Kabini would come down from 4 lakh acres to 1.3 lakh acres. Therefore, the agitation of leaders from Mandya was "purely politically motivated", he said.

Sri Puttaswamy appealed to the people of Mandya and his party leaders to view the whole thing in the proper perspective and help the Government to take up the project without further delay.

Sri Tulsidas Dasappa and B. Rachiah, MPs of Mysore District, who were present, supported the views of Sri Puttaswamy.

ZOO IMPORTANCE BEING CURBED

Charges Janata Party General Secretary

Mysore, June 7

Sri Vedantha Hemmige, General Secretary of the City Janata Party, has strongly criticised today the "efforts of the Conservator of Forests to minimise the importance of the famous Mysore Zoo".

In a statement, he said he had reliably learnt that the Conservator was unnecessarily making efforts in this direction. Although the zoo had been given "A" status by the Centre and the Chief Minister had also approved it, the Conservator was shelving it without causing the gazette notification.

Sri Vedantha said the budget for the zoo had not been sanctioned and the salary of the employees had not been paid for the past three months. It was shocking that the salary of the Curator had not been disbursed for the past seven months. If this attitude of the Conservator continued, the time might come when even the animals in the zoo might starve, he said.

While urging for decentralisation of powers, Sri Vedantha appealed to the Chief Minister and also the concerned Union Minister to intervene immediately and save the importance of the zoo, which was known for rare animals.

New Unit In Lac & Paint Works

Mysore, June 13

A Rs. one crore unit was being set up in collaboration with a German firm for the manufacture of insulted varnish, Sri K. S. Suryanarayana Rao, Chairman, Mysore Lac and Paint Works, said yesterday.

Speaking on the occasion of the inauguration of the administrative building of the works, he said the Centre had already given the licence for the proposed unit.

Inaugurating the building, Sri Veerappa Moily, Minister of State for Small Industries, said that the Government would issue orders soon insisting on its departments to indent 60 per cent of their requirements from industrial units in the State only. This would help the industries to stand on their own legs.

Sri Azeez Sait, KSTDC Chairman, who presided, suggested that the Government should include a penal clause in its directive so as to punish those departments which did not prefer their requirements from the State industries.

Sri Siddalingiah, Secretary of the Company, said the company had recently earned Rs. 24 lakhs worth foreign exchange by exporting indelible ink to Nigeria.

Sri B.N. Kenge Gowda, Chairman, CITB, said that the Board would undertake a demand survey of houses in the city so as to meet the requirements under the HUDCO scheme Sri Shankar, Director, proposed a vote of thanks

The conference was presided over by Sri S. Puttaswamy, President, Rural District Congress Committee Messrs. D. Jayadevaraje Urs, K. Puttaswamy, Azeez Sait, K. B. Shivaiah, K. Made Gowda, Chennabyre Gowda, Boregowda and others spoke.

Nominations To Corpn. Opposed

Mysore, June 13

Sri Mir Noor Hussain, former Opposition leader of the City Municipal Council, has congratulated the Government for upgrading the City Municipality into a corporation.

In a statement yesterday, he said that time was not too far off to include Nanjangud and Srirangapatna as satellite towns of Mysore City.

Expressing concern over the intention of the Government to create the first corporation by the process of nomination, Sri Hussain said this was not a good beginning.

If the corporation was to be set up it must be created by democratic means. The Government should not impose persons of its choice as corporators. That would be the very negation of the civic rights and privileges. If a nominated corporation was brought into existence it would meet serious resentment he warned.

RE-OPEN PLASTIC SURGERY UNIT

Sir,- I beg to use your columns for bringing to the notice of the concerned authorities the difficulty experienced by the public due to the closure of the plastic and reconstructive surgery unit in the K. R. Hospital.

This section was functioning for the past three years and was rendering yeoman service to the needy, who included persons deformed and disabled by birth or due to leprosy or injurious burns or other diseases.

The specialist looking after this department was transferred elsewhere and no one has been posted in his place. The department has been closed since then

As the people afflicted with these deformities are poor labourers and coming from the weaker sections of the society, they cannot go to any other place for treatment Hence, there is an urgent necessity for reopening this department by the concerned authorities

Review Of KSIIDC Recommended

(From Our Correspondent)

Bangalore, June 14

Out of 124 industrial units assisted by the State Industrial Investment and Development Corporation, 16 companies are incurring heavy losses continuously and seven among them have eroded the entire capital invested due to unsatisfactory working, according to the Legislature Committee on Public Undertakings.

The committee in its 11th report on the working of the corporation has expressed its dissatisfaction over its performance in the past. The corporation had invested the funds at its disposal but failed to monitor the working of the assisted companies and the nominee directors had also failed in playing roles in a responsible way, it said.

The committee, which is headed by Sri K. Puttaswamy, has recommended that the entire working of the corporation should be reviewed so as to make suitable changes in its style of working.

It has also expressed its dissatisfaction about the achievement regarding the dispersal of industries to backward districts, though in the recent years, there had been a tendency to start some industries away from Bangalore.

Govt. Criticised On Wakf Board

Mysore, June 14

Sri Mir N or Hussain, ex-leader of the Opposition in the City Municipal Council, has criticised the composition of the reconstituted Wakf Board.

If the Board had to function as the trustee of Muslim charitable and religious endowments, it should not only be fully representative in character but should also be composed of men of experience and knowledge of Muslim jurisprudence and law, he said

While a tiny place like Bhatkal had a representative on the board, districts like Mysore and Mandya with such an important wakf as Tippu's tomb had no representation, Sri Hussain said

He alleged that employment in factories and industries in and around Mysore was dominated by Keralites or Tamilians, who were migrating to the city in large numbers. He appealed to the industrial employers to reserve at least 80 per cent of their potential employment to bona fide citizens of Mysore and that the Government should ensure that this ratio was always maintained. "Let not the Mysorean be an alien in his own city", Sri Hussain said.

A WELL-DESERVED HONOUR

Sir, – We are very glad to read the other day in the papers that Sri Ganapathi Sachidananda Swamiji honoured Sri G. R. Josyer journalist, scholar and research worker of a high order.

Even at the ripe old age of 86, one could see Sri Josyer buried among his books every day doing some kind of research work or the other. We must thank God for the health he has been given to do the noble work for which he is so famous not only in India but abroad. In short, we may call him more than a Dr. Johnson of Mysore.

One would be surprised to find copies of books published by him so early as in 1909 in Teluga characters; many a sacred Samskrit work has been resuscitated and published in modern form with correct notations. He is the Bhishma of journalists in Mysore and is among the few who have got the courage to call a spade a spade. The pages of his weekly "Rationalist" is well worth studying at any time.

His name will be remembered permanently through his monumental works-"History of Mysore" (written at the behest of the late Sri Jayachamaraja Wadeyar) "Samskrit Wisdom", a mine of gems for the upliftment of the reader, "Tippu Sultan", "Seringapatam" etc But the latest is "Vaimanika Sastra by Bharadwaj Maharshi" in English and Samskrit original, thoroughly revised, edited and very nicely got up, a book much sought after by aeronautical scientists all over the world, at the price of Rs 250 a copy, really a Johnsonian price

Sir, – The long awaited dream of the citizens of Mysore was the inclusion of Krishnarajasagar, Srirangapatna and Nanjangud within the city limits while forming the municipal corporation. But the proposal to include only one mile area in the city has come as a disappointment. This would result in increased incidencee of taxation on the present population. Even now the time is not over form the authorities to include the above tourist-places and raise the status and economy of the city.

MLC Plea For CLP Meeting

Mysore, June 23

Sri T. N. Narasimha Murthy, MLC, yesterday urged Chief Minister Devaraj Urs to convene immediately the Congress Legislature Party meeting to resolve the crisis in the cabinet.

In a statement, he said it was unfortunate that the party and those who are in responsible positions were ignoring the interests of the party and smooth administration. They had also ignored the existence of the legislature party.

Although the Chief Minister had the powers to appoint or remove any Minister he wanted, it was surprising that he had not taken any step without any hesitation against such of those Ministers who were threatening to quit, he said.

The Chief Minister would do well to take stern steps at least now since the siutation was nearing a climax, Sri Murthy said.

The Belguam Medical College had collected over Rs. 13 lakhs in 'Golkas' by way of copitation fee from students according to an enquiry, Health Minister H. M. Channabasappa told the Assembly today.

Making a lengthy statement on a call attention notice on irregularities and malpractices in private medical colleges, he defended the action taken against the Belgaum Medical College. It was violating all the directions of the Government, he said.

The Government had imposed one condition on private medical colleges that all donations and capitation fee should be received only by crossed cheques. Inspite of this, some colleges were allegedly indulging in maladministration and exploitation, the Minister said.

A Grand Music Performance

A grand music performance by Sri Semmangudi Srinivasa Iyer had been arranged on June 13 by the Sangeetha Rathna T. Chowdaiah Smaraka Samskritika Sabha. Sri Lalgudi Jayaraman and Sri Vellore Ramabhadran accompanied on violin and mridangam.

Each of the aritists is great in his field. Sri Iyer is 69, and yet is fit for performance, even after 50 years of praiseworthy record service in the field of vocal music.

Each musician has a style and Sri Iyer is known for the majesty of the pace and the rhythm, both in swara, singing and kirtanas. His akaras are full of gamaka and dhatu swaras and have an impressive movement. The manner he handles everything is something to be watched by learners and imitated.

One cannot expect the glory of the voice-melody as age advances, but in the case of Sri Iyer age does not seem to have made many wrinkles. He is yet in form.

Sri Jayaraman and Sri Ramabhadran rendered very able assistance to Sri Iyer.

MP PLEADS FOR RAPPROCHEMENT

Mysore, June 27

Sri Tulsidas Dasappa, MP, today pleaded for rapprochement between the two groups of the State Cabinet.

Addressing newsmen, he said it was high time that the leaders of the State Congress shook off their "personal animosities" and tried to co-operate with each other.

He said the recent affairs within the Congress party in the State had not helped to maintain the image of party. Differences were bound to exist in any political party. But they should not lead beyond the limits so as to endanger the very efficacy of administration.

With this in mind, the party Central leadership had wisely advised the concerned two groups of the State Ministry to give up their present attitude of confrontation, he said.

"I do not see any ideological clash between the two groups", he said emphasising the need for conciliation between the two groups.

Answering a question, Sri Tulsidas said that in case there was a failure in rapprochement, then the established conventions and practices of the party should be adopted to resolve the situation.

This could be challenging the strength of the leadership within the party. The outcome of this should be accepted by all the concerned.

As regards the KPCC President, the stand taken by the dissidents was that the present President was "imposed". Hence they demanded a change he said. It was for the high command to take stock of the whole situation in the State and take proper course of action, Sri Tulsidas added

Protect The Statues

Sir,—A foreigner accosted me the other day in front of the Palace Fort entrance with Anjaneya and Ganapathi temples. While he expressed his deep respect for the love of art as exhibited in and outside the fort, he told me that he was sorry he could not take a photograph of the statues of Sri Chamaraja Wadeyar and Sri Krishnaraja Wadeyar due to the fact that it had become the playground of urchins.

In the south-east corner of the Cheluvamba Park in front of Akashavani building, a fine piece of architecture—an ornamented elephant with Howdah inscribed below "Princess Road"—has been toppled down.

It has been noted in history that some people—young and old—take a sadistic pleasure in spoiling whatever appears to them beautiful Until this instinct dies and a greater sense of citizenship awakens, it is the duty of the authorities in charge to keep a watch on these statues which add so much to the beauty of the place.

Irregular Water Bills

Sir,-The Mysore City Municipal authorities used to send regularly by post bills for water supply every quarter. Of recent this has become irregular and when the citizens approach the water supply section in the Municipality they are told that the meter reading has not come to them from the Vani Vilas Water Works and hence they are unable to send the bill. If arrears accumulate like this and one big bill is suddenly presented it would be very difficult for rate payers to make payment. Therefore, it is requested that proper arrangements be made to send quarterly bills regularly by post as before.

There is a board in the Municipal Office stating "Place for paying water rates" The door is always locked. In fact, the money is collected in the room in which the bill is made; this is correct I appeal to the municipal authorities to remove the board to avoid confusion

Ramani Excels In Ranjani

Sri Nadabrahma Sangeetha Sabha had organised a flute recital by N. Ramani on June 26. Violin was by M. S. Gopalakrishnan and mridangam by Palghat K. Raghu.

Ramani was enchanting on his flute, while Gopalakrishnan showed how the fiddle could be sweet, dexterous and reflect all the glory of the flute. Raghu was equally sweet on his tala-vadya.

The rare raga Ranjani was taken up for pallavi and was superbly done by the flutist and the fiddler. The audience which filled the hall to capacity was captivated by these three experts for more than three hours. —KTR

UNANIMOUS BACKING TO URS

CM Empowered To Deal With Situation

[From Our Correspondent]

Bangalore, June 30

The Congress Legislature Party meeting which turned out to be a tame affair here this morning unanimously expressed its support to Chief Minister Devaraj Urs and empowered him to deal with the present political crisis.

The party held its meeting as scheduled, dissident Ministers also taking part in it. The meeting took place on a calm note and there was no sign of excitement or display of rancour.

Sri Ragupathy is reported to have raised an objection for convening the meeting without seven days' notice. Sri Urs is said to have pointed out the meeting rules and said that since the Assembly session was on the legislators were expected to remain in Bangalore. Dissident Minister K. H. Patil is reported to have said that the ruling given by the leader should be respected.

Then Sri Andanaiah, MLA and Sri T. N. Narasimha Murthy, MLC, presented a memorandum expressing implicit faith in the leadership of Sri Urs. Out of 205 members, the resolution was signed by 116 MLAs and 26 MLCs. Five more MLAs are said to have supported it later. The resolution was accepted unanimously, it is learnt.

The meeting took no decision regarding taking any action against the dissident Ministers following the direction from the Central Parliamentary Board not to "precipitate a crisis". The Cabinet crisis thus remains to be solved. The two emissaries from the High Command have not yet arrived.

All-Round Progress In State, CM

[From Our Correspondent]

Bangalore, July 6

The State was likely to get Rs. 185 crores aid from the World Bank for the Upper Krishna Project in September, Chief Minister Devaraj Urs told the Assembly today.

Replying to the Budget debate, he said that the State had made all-round progress with several measures undertaken by the Government. The progress had been appreciated by one and all. While spending crores of rupees there might be a few lapses, he admitted.

Referring to land reforms, Sri Urs said that there was no other State which equalled with Karnataka.

The Minister for Electricity said that with a number of new projects undertaken, the power shortage would be overcome, he assured. He denied any agreement with the Goa Government to supply power to a private firm.

After his reply, the House approved the grants.

Drought Conditions In District

Mysore, July 11

Following failure of rains drought conditions prevailed in about eight taluks of Mysore district and jowar crop had almost failed in these areas, Sri S.Puttaswamy, MLA and President, Rural District Congress Committee, said today.

Speaking to newsmen, he said that rains had failed during the last 7-8 weeks in Gundlupet, Chamarajanagar, Kollegal, Yelandur, T. Narasipur, Nanjangud and Mysore taluks. The failure of jowar crop in these areas was expected to be about 70 to 80 per cent. In some taluks, the standing jowar crops had been affected by pests, receeding the hopes of a good crop this year.

There was also shortage of drinking water since most of the wells were not full. If rains continued to fail, paddy crops might be affected in irrigated areas also, he said.

Sri Puttaswamy said he had addressed a letter to the Chief Minister and the Revenue Minister explaining the seasonal conditions in the district and urging that these eight or nine taluks should be declared as drought-affected so that relief works could be taken up.

He also demanded the postponement of recovery of loans and tax collection in these areas.

Expressing concern over the delay in completion of the Kabini right bank channel, Sri Puttaswamy urged the Government to speed up the work since the channel would benefit the drought hit areas. "Despite repeated requests, theGovernment is not anxious to complete the channel work", he regretted.

The Congress, which was attended by about 50 scholars from various parts of India,resolved that folklore should be accepted as an independent discipline at all levels of the higher education. It congratulated the Mysore University for its pioneering work in the area of Indian folklore, he said.

MYSORE ZOO :

DELAY CAUSES 1.40-LAKH LOSS

[From Our Correspondent]

Bangalore, July 12

Mysore Zoo has been in the news since some time past. While there have been complaints of starving of animals in the zoo there have been allegations that its development was being neglected "wilfully".

Here is an instance how delay on the part of the Government in accepting tenders for supply of feeding articles to the animals in the zoo caused an additional expenditure of Rs. 1.42 lakhs to the exchequer.

The Director of Wild Life Preservations, Bangalore, called tenders on Feb. 16, 1974 for the supply of feeding articles to the zoo for the period of 1-4-74 to 31-3-75. The tender did not prescribe any valid period.

Two tenders were received by the Director and the lowest offer from a contractor was accepted. But the contractor did not respond to the offer on the ground that the acceptance was delayed beyond date. Later, the Department obtained feeding articles by resorting to short-term quotations in open market. It made no attempt to negotiate with the second tenderer.

On account of the delay in finalisation of the tender and purchase of feeding articles in the open market, the Government incurred an extra expenditure of Rs. 1.42 lakhs, according to the report of the Comptroller and Auditor-General of India, Karnataka, which has been released recently.

MINISTER'S ASSURANCE

Making a statement in the Legislative Council yesterday in response to a call attention notice, Forest Minister K. H. Patil said that no animal had died in the zoo due to starvation. In a few stray cases, there had been some difficulty owing to not securing clearance from the audit on certain bills due to irregularities. These and other minor differences had been thrashed out

Dasara Figures Again In Council

[From Our Correspondent]

Bangalore, July 14

Shifting of the venue of Dasara Exhibition at Mysore figured in the Legislative Council today.

Explaining the circumstances for shifting the venue, the Government in its reply said that the Government organised the Dasara festivites and Exhibition till 1972. In 1973 and 1974, it had to be cancelled due to drought.

In 1975, some leading citizens of Mysore came forward to organise the festivities. This registered body, the Government felt, would also be in a better position to hold the exhibition and earn its expenditure. Hence, the Government permitted the society to hold the festivities and requested all its departments to take part.

Last year the venue was shifted to Doddakere maidan. The old building has been given to the Medical Department.

The Nagarika Jagrithi Sangha, which conducted a survey of the village recently, has approached the authorities for proper amenities in the village.

The Sangha has also opposed the increase in house-tax and urged the Municipal, authorities not to give effect to their decision to enhance the tax until a new civic body was elected.

Where is the wrestler now?

[From Our Correspondent]

Bangalore, July 16

Infructuous expenditure on training wrestlers by the State Sports Council has come for criticism in the report of the Auditor General of Karnataka.

The Sports Council was given a grant of Rs. 1.20 lakhs in December 1975 for imparting training to three wrestlers for a period of one year at Bangalore. The Council, in anticipation of Government approval for the scheme, selected in September 1975, a trainee wrestler hailing from Delhi. No training could, however, be imparted to him in the absence of a matching partner of his class, as the other two were not selected. Rs. 15,000 were spent on the wrestler between Sept. 1975 and Jan 1976.

Then, he was sent to Patiala to get higher training for four months, where coaches of international repute were available. The wrestler failed to report at Patiala. The Sports Council sent Rs 6,000 to Patiala for meeting his expenses without even ascertaining whether he had joined the Institute. This amount has not been refunded to the Council.

The trainee wrestler has not contacted the Council since his departure from Bangalore in February last year. In all, a sum of Rs 21,000 was spent on the trainee wrestler, who did not receive any training and the scheme has not had a start at all.

Congress Sure To Win

(From Our Correspondent)

Bangalore, July 16

The bye-election to the Raiya Sabha to fill the vacancy caused by the election of Sri B. Rachiah to the Lok Sabha was held today. Among the two contestants, Sri K.C. Yallappa was not even present for canvassing. Since Congress has absolute majority, the election of its candidate, Sri L. R. Naik, is almost definite.

The Assembly, which held its session this morning is being extended upto next Wednesday. Replying to a call attention notice, Chief Minister Devaraj Urs defended the appointment of Prof. P. Selvia Das as Director of Collegiate Education. In view of shortage of IAS officers, a professor had to be appointed on selection for this post, he said.

READERS' FORUM

CITY OF DARKNESS

Sir,- If one goes round the city of Mysore during night, he wonders whether there is any Municipality existing at all. This garden city which was once called the "City of Lights" could now safely be termed the "City of Darkness".

Although the population of Mysore is now nearly five lakhs and a few industries are coming up round about, the street lights are becoming poorer and poorer. In thickly populated areas, in important streets and circles, either there are no lights at all or even if there are any either they have gone out of order or not at all bright. They resemble candle lights. Besides, there is no uniformity in distribution of electric poles. They are not at equidistance.

May we request the Municipal authorities to inspect the following important roads and circles and find out for themselves the truth of this statement : Akashavani Road in V. V. Mohalla (Akashavani to Sanitorium), road in the front portion of Palace, road from Municipality to K. R. Circle, Hardinge Circle and GandhiSquare, Jhansi Lakshmibai Road (Railway Station to Ramaswamy Circle), Ramavilas Road, Mirza Road, and important roads in V. V. Mohalla, Chamarajapuram, Chamundipuram and Lakshmipuram. These are only a few examples.

The lovers of the city expect the authorities in power to draw up a proper scheme for better street lighting Fixing up new tube lights is not the solution The street lights need better maintenance and care too

Bangalore, July 19

Amidst political speculations, the Assembly is adjourning tomorrow and the Council on July 22. It is reliably understood that Chief Minister Devaraj Urs is going ahead with plans to reconstitute his Cabinet. This is expected to take place by the week-end.

Meanwhile, the reaction of High Command following the submission of the report by Sri Kamalapati Tripati to Congress President Brahmananda Reddy yesterday, is being watched.

There are also persistent rumours that Governor Uma Shankar Dikshit has asked the Centre to relieve him immediately. There is no denial or confirmation of this rumour.

Exam Fee Cut: SemesterToContinue

Students Decide To Resume Stir

Mysore, July 30

The college students of the city, not satisfied with the assurance given by Vice-Chancellor D.V. Urs today that a standing committee would be constituted to review the semester system, have decided to continue their strike from Monday, demanding the abolition of the semester scheme.

At a meeting of the students' representatives, College Principals and University officials, the Vice-Chancellor announced the decision of the University to reduce examination fee for semester courses with effect from August. The reduction is of the order of Rs. 5 for certain examinations and Rs. 10 for undergraduate and most of the post-graduate examinations.

The University had decided to lower the minimum attendance requirement for the current academic year from 75 to 70 per cent and upto 60 per cent with condonation fee, he said.

He also agreed to the demand made by the students that there should be central valuation and awarding of grace marks.

As regards semester system, Sri Urs said about 50 universities had introduced the scheme and it had been proved good. However, the University proposed to constitute a Standing Committee after the student representatives are elected to the Senate and have them on the committee to review the system.

Demanding abolition of the system, the student leaders went out shouting slogans. Earlier, students from difference colleges came in a procession to the Craford Hall, which was heavily guarded by the police.

Direct Payment For Jr. Colleges Also

Mysore, Aug. 2

The proposed scheme of the State Government to pay the salary of aided college employees in the State will cover all aided Junior Colleges besides Colleges of Education, according to Sri M. In a press note issued yesterday, Sri Rao clarified that it was a mistaken notion on the part of some that Junior Colleges and Colleges of Education had been excluded from the purview of the scheme for direct payment of salary. The details of the scheme which would cover both these categories of colleges were being worked out and Government Orders would be issued before the end of this month, he added. The Federation was also persuading the Government to include the aided engineering colleges also for this purpose.

The Mysore University Private College Teachers' Association has endored the decision of the teaching and non-teaching employees of the University to launch an agitation later this month to press the Government to implement the UGC pay scales for post-graduate teachers with effect from January 1, 1973, the original Pai Commission scales for teachers in constituent colleges as also to non teaching staff

KENGAL QUITS CONGRESS

Bangalore, Aug. 8

Sri K. Hanumanthaiya, former Union Minister and a senior leader of the Congress, has resigned from the primary membership of the party.

Announcing this at a news conference today, Sri Hanumanthaiya said that he was greatly disturbed by the casteism and corruption prevailing in the party. It had not shown any sign of recovery even after the Lok Sabha defeat. On the other hand, it was going down.

Criticising the expansion of the State Cabinet, he said the record number of 35 members in the Ministry showed "utter disregard of good administrative standards".

About his future, Sri Hanumanthaiya said that Union Health Minister Raj Narain who had called on him yesterday had suggested that he should join the Janata Party. He would take a decision in about a fortnight.

Ministry Expansion Tomorrow

The Union Cabinet is expected to be expanded tomorrow. The new Ministers will be sworn in on Wednesday. Several junior Ministers are likely to be appointed to ease the burden on the present 20-member Cabinet. The portfolios of the Cabinet Ministers is also likely to be reshuffled.

City Boundary To Be Extended

The areas proposed to be included within the city are Chamundi Hills, Srirampur, Nachanahalli, Gurur, Ayyajayyana Hundi, Dattagally, Chikkaharadanahalli, Malavadi, Kurubarahalli, Hinkal, Bogadi, Vijayasripura, Hootagally, Metagally, Hebbalu, Yaraganahalli, Alanahally, Maragowdanahally, Belavatta, Devanur, Ernagere, part of Kyathamaranahally, part of Kesare and Chowdahalli villages.

Objections and suggestions to the proposal have to be sent to the Commissioner and Secretary, Housing and Urban Development Department, Vidhana Soudha, Bangalore, before Nov 4.

GOVT. URGED TO CONDUCT DASARA

Mysore, Aug. 8

An appeal to the Chief Minister to immediately take over the Dasara Exhibition and conduct it as a purely Government one in the interest of the city, has been made by Sri T. V. Srinivasa Rao, President, Bar Association and a Congress leader, yesterday.

Criticising the way the festivities were conducted by a private organisation during the last two years, he said that the usefulness and the very purpose of the exhibition had been betrayed and the exhibition instead of becoming an educative one had turned out to be a "business proposition in the hands of a few rich people".

Big Haul Of Stolen Property

Mysore, Aug. 8

Lashkar Police Sub-Inspector Hanumaiah arrested Raju of Talakad and recovered suitcases, a trunk and an airbag containing gold jewels, sarees, transistor and clothes alleged to have been stolen from the passengers in KSRTC Bus Stand during the last two months. Property valued Rs. 24,647 concerned in six cases were also detected.

READERS' FORUM

AIR's Programme

Sir,-All India Radio, Mysore produced a rare symphony on Aug. 1 from 8-05 to 8-30 p.m. Nine rare ragas called Navamanis, so called because each raga ends in Mani such as Kantamani, Nagamani, etc, belonging to different chakras were selected for presentation. Several instruments played the same swara text, and the blend was pleasing to hear.

A high-brow programme like this calls for special knowledge of music, and it would have been listened to by the elite in music everywhere had it been published sufficiently in advance and played from Bangalore which reaches a larger radius

Sri A.D Zachariah's attempt with the co operation of the other staff artists is praiseworthy, particularly in view of the fact that these rare ragas are not handled either by the foremost performers or others and hence exist only in name

Special Concession For Students

Semester Made Optional

Mysore, Aug. 9

The Mysore University has decided to make the semester system, which is facing strong opposition by the student community, optional leaving the choice between semester or non-semester schemes to the students.

Announcing the decision yesterday, Vice-Chancellor D. V. Urs told newsmen that teaching would be common to both semester and non-semester students. There would be no internal assessment for non-semester students who have to take the annual examination.

Sri Urs made it clear that the semester scheme would continue in its present form with several concessions announced on July 30

In view of this major concession, he appealed to the students to call off their agitation

The colleges, however, continued to remain closed today also.

The Vice-Chancellor announced that the senate, the syndicate and the academic council had been officially constituted from yesterday and the first meeting of the syndicate would be held on Aug. 17.

Sri Urs disclosed that the Government had approved UGC scales of pay to post-graduate department teachers with effect from Jan. 1, 1977.

The hostel facilities for both boys and girls in the University would be increased with the construction of two more hostels costing Rs. 13.7 lakhs, he added.

Exhibition Secretaries Refute Allegations

Mysore, Aug. 9

Several charges levelled against the Dasara Exhibition Committee, a non-official society which organised the Dasara festivities over the last two years, were strongly rejected by Sri D. Jayadevaraje Urs and Sri B. C. Lingiah, the two General Secretaries, yesterday

Addressing a news conference, they said the sole intention of the society was to promote cultural and educational activities and not to carry on any activity of profit either for the society or for its members.

Defending their statement with facts and figures, they said the society had created total assets of over Rs.10 lakhs as against its liabilities of about Rs. 8 lakhs, including Rs. one lakh due to the betterment committee. The society had spent only Rs. 1.86 lakhs (Rs. 1.5 lakhs for procession, Rs.10,000 each for wrestling and sports and Rs.16,000 for children rally). On the other hand, the Government had spent Rs. 19 to 22 lakhs in 1971-72 for exhibition alone.

The Government had sanctioned an assistance of Rs. 2 lakhs, out of which the society had drawn only Rs. 1.3 lakhs, they said. They also pointed out that the accounts for 1975 had been audited and published while the audit for 1976 was under progress.

As regards allegations of 'misuse' of betterment committee fund, Sri Jayadevaraje Urs said that a sum of Rs 1,16,892 was collected by the sale of tickets. The expenditure in this connection was Rs 36.370 However, the society had decided to transfer Rs. one lakh to the betterment committee On Aug. 4, Rs 30,000 had been given to the committee for the mid day meal programme

The society had resolved to request the Government to take over and conduct the exhibition. Meanwhile, it was making arrangements to organise the exhibition this year also The prospectus was being issued on Aug. 20, they said

Elephant Carriage

Sir,-During the late Sri Krishnaraja Wadeyar's visit to foreign countries, the Maharaja always kept an eye on anything that may be useful to be copied in his own State from those countries. He was a connoisseur of art also. The Mysore Palace is a standing monument of his love of art.

During his visit abroad, the Maharaja observed a carriage drawn by elephants. He got a specification for the same done on return, got it fabricated in the Palace Stables and introduced it as an attraction in the Dasara procession.

It is no doubt an art picee.

This work of art is now lying uncared for, open to sun and shower, in the new Exhibition (Doddakere) It recalls how art was developed in Mysore and how utterly neglected it is now. This does not bring credit to any one

The authorities should renovate it and house it in a safe place so that Mysoreans and outsiders enjoy seeing this work of art.

The Association, which met on Tuesday with Prof. D. S. Mahadevappa in the chair, reiterated its demand for the immediate implementation of the UGC pay scales for all post-graduate teachers in the State from Jan. 1973.

The teachers have decided to take mass casual leave on Aug. 16 followed by satyagraha, as resolved by the Association earlier.

TV IN RACE COURSE

Mysore, Aug. 11

A record number of 450 horses as against 400 last year will race in the 20-day Mysore Races beginning on Sunday.

Sri F. K. Irani, Chairman and Senior Steward of the Mysore Race Club, told newsmen yesterday that a new feature of this season was awarding of prizes for fourth placed horses, expecting in classics.

Over 35 jockeys, 27 trainers and 14 book makers would participate. Seventeen stables had been put up increasing their number to 390. For the first time, the race goers could view the races on the four TV sets installed in the course.

Sri Irani said the club proposed to take up a master plan on phased programme for the improvement of the race course.

Teachers Resent VC's Step

Mysore, Aug. 11

The Mysore University Teachers' Association has deplored the action of the Mysore University in nullifying the election to the Senate of the representatives of the teachers.

In a press note on Tuesday, is said that the nullification of the election by extending the amendment of the State University Act was not merely contrary to the letter and spirit of the Act but a deliberate attempt to delay the participation of the elected representatives in the senate.

The Association took strong exception to the notification convening the Syndicate with only nominated members and without even a single elected member. It requested the Chancellor to stall the notification.

The State-level Federation of University and College Teachers' Associations has also taken strong exception to the constitution of the Syndicate before holding elections from the senate and academic Council

Concern Over Ministry's Working

Mysore, Aug. 11

The Mysore University Private College Teachers' Association has voiced its "deep concern" over the "ineffectual functioning or even non-functioning" of the Ministry of University Education in the State over the past two weeks.

By a resolution adopted at its working committee meeting today, Sri M. Sathyanarayana Rao in the chair, it said that it was reprehensible that the gimmicks in the political goings-on at the ruling party level should have resulted in a situation in which hundreds of files were awaiting the consideration of the Minister who had held the portfolio but had refused to accept its responsibilities. Here was an immediate case for Governor to intervene, it said.

The meeting expressed its support to the agitation by the Mysore University Teachers' Association from Aug. 16.

The All India ADMK celebrated the day, Party President B. Venkatesh, presiding. Sri K. Shivanand was the chief guest. Sri T. Jayaramu and Sri S.M. Lingappa spoke.

A Good Concert

Sri Prasanna Seetharama Mandiram had arranged a music recital on Aug. 13 by Vid. M G Radhakrishnan. He was assisted on the violin by Vid Chalakudy Narayanaswamy, on the mridangam by Vid. Mavelikkara Krishnan Kutty and on ghatam by Vid. T.V. Vasan.

Radhakrishnan with his superior voice and technique sang everything well. His Kapi and Mohana were particularly good. He sang a ragamalika in four Ranjanis namely, Ranjani, Jana Ranjani, Sriranjani and Megharanjani. His slokas on Chamundi, sung in different ragas, were also good. Chalakudi gave very faithful support on the fiddle which was soft and sweet. Krishna Kutty and Vasan rendered able support.

The vocalist could have sung Mohana in more detail and made it a pallavi instead of singing nannupalimpa, a kirtana.

-KTR

The Chamaraja Mohalla Rate Payers' Association also celebrated the day with Dr. M. Narasimiah Pandit in the chair.

Addressing a news conference, he said that there was utter lack of proper understanding and thorough failure of responsibilities on the part of those who had tried to belittle, ignore or defy the decisions and directives of the High Command.

As regards disciplinary action against such persons who had defied the party directives, he said that this depended upon a number of factors and the party would take suitable action at the appropriate time.

However, the High Command was confident that proper sense would prevail on those who defied its directives and things would get rectified. Asked whether there was need for a change in the leadership of the State in view of this unhappy situation, Sri Tulsidas said that "no leadership is inevitable and indispensable".

The leadership should contribute to the strengthening of the party and if it were to contribute to the weakening of the party, such leadership should give way to better leadership which could unify and strengthen the party, he said.

The party in the process might get rid of such elements also which were not conducive to it, he added.

For him, Sri Tulsidas said, it appeared that election might be the only solution to the present impasse in the State political affairs.

'Opposition Out To Remove Me', Urs

Mysore, Aug. 22

The Janata Party which was afraid of facing the elections while he was in power had resorted to agitation by provoking the youth to dislodge him, Chief Minister DevarajUrs accused yesterday.

He was laying the foundation-stone for the Rs. 62-lakh six floor outpatient block at the K R Hospital. Health Minister H.M. Channabasappa presided.

Provoked by the disturbances caused by the slogan - shouting Janata Party workers, Sri Urs said in clear terms that his Ministry "cannot be brought down by agitations and slogans".

"These people who are shouting slogans against me, are they prepared to face the election tomorrow? No, they are not. They are scared of me. They know that as long as I continue in power they cannot win the elections. That is why they are out to whip up agitations", he said bluntly.

The Chief Minister said that he was not scared of such slogans and shouting because he had the support of the people. The "Janata Shakti" was behind him. He would not run away from the responsiblities which they had imposed upon him.

The Janata Party had seen this in the 1977 Lok Sabha elections. Inspite of all its propoganda, it could only win two seats. If he had only another four days of time, even these two seats would not have gone to them, Sri Urs said

The Chief Minister also accused newspapers of indirectly supporting the attempt to dislodge him.

He said whether Sri Jayaprakash Narayan wanted the class struggle or not, it was inevitable in this country. It would definitely take place, because the have nots would not remain long under the exploitation of the haves.

Sri Urs appealed to the doctors to be humane in their approach towards the patients.

Sri Channabasappa said the Government had decided to take over 527 local fund and municipal hospitals the State. This would save the local bodies Rs. 1.9 crores. It had also decided to bring down the present 21 categories of hospitals into five categories.

Chief Engineer K C Reddy and Hospital Superintendent Dr D Chamaraj welcomed the gathering. Superintending Engineer Gulam Ahmed explained the details of the project Dr. Shinde proposed a vote of thanks.

ARRESTED FOR SHOUTING SLOGANS

Mysore, Aug. 22

Thirty-five Janata Party youth wing workers were taken into custody yesterday at the K. R. Hospital for shouting anti-Devaraj Urs slogans.

Among the arrested were Messrs K. Harsha Kumar, State Youth Wing Secretary, R. Chandrasekhar and P. Mallesh. One of the party workers who shouted slogan and waved blackflag when Sri Urs was addressing was also arrested by the police. All the arrested persons were released late in the evening.

In a press note, the party youth wing criticised the arrest of its members It also criticsed the tight security arrangements in and around the hospital and said it reminded the days of emergency.

Impressive Dance Performance

A Bharata Natyam performance by Kum. Nandini Seth and party had been arranged at the Centenary Hall on Aug. 14 by the Chowdiah Smaraka Samskritika Sabha, V. V. Mohalla.

Endowed with beauty, Kum. Nandini looked as if born for the art. Her Bhava, Bhangi, movement and rhythm of the foot, were impressive. Two of the songs, chosen from the Antahpura Gita of DVG were executed very well in Bhimpalas and Hamsanandi.

Kum Nandini is young and talented. She has a bright future in the art. The party that provided the background music also did well.

Panel On HavanoorReport

Mysore, Aug. 29

The Government had appointed a committee to review the recommendations of the Havanoor Commission, Forest Minister S.B. Nagaral disclosed here this morning.

Presiding over the 61st birthday celebrations of Sri Shivaratrirajendra Swamiji, he said that the recommendations of the commission were not final. It was an open book. The Government would set right whatever the defects found in it after the committee's report.

Transport Minister Azeez Sait, who was the chief guest, praised the services of the Swamiji and the Suttur Mutt in the cause of education.

Sri Sait said that philosophy and politics had to go together. If they were divided one would see the present kind of politics of mud-slinging, accusations and character assassination.

Economic Adviser to the State Dr D. M. Nanjundappa spoke. Vidwan K. M. Revana Siddiah welcomed and Sri M. C. Parvathaswamy proposed a vote of thanks.

Afer the function, a group of youngmen surrounded Sri Nagaral and protested against injustice caused to Veerashaivas by the Havanoor Commission.

Tomorrow's Engagements

Mysore, Aug 29

Party Election Only Solution Now, Sait

Mysore, Aug. 29

Holding of election to the Pradesh Congress Committee was the only solution for the present political tangle in the State, Transport Minister Azeez Sait said today.

Reacting to the action taken by KPCC President K. H. Patil in suspending him from the party, Sri Sait told newsmen that he was proceeding to Bangalore this morning to discuss the issue with the Chief Minister, who was also returning from Delhi today.

Sri Sait reiterated his earlier criticism that Sri Patil was an "imposed President". He questioned whether there was any justification in imposing him without the willingness of the party members.

By doing this, the Congress High Command was causing great injustice to the party in the State. The Congress President should look into the reality of the situation and not hear only one section of the party. When the Congress had majority in the State, there was no need to impose a President. Do they want the Congress to progress or bury itself, he asked.

Reiterating his confidence in the Chief Minister, Sri Sait said that "I have full faith in Sri Urs in the party as well as in the legislature". As regards the solution for the present impasse, he said: "Wait and see, It will come. We will fight in the democratic way".

Sri Sait said last night that he did not recognise his suspension from the party since Sri Patil was not an elected President.

Deve Gowda Assails Urs Ministry

Mysore, Aug. 31

There were instances of irregularities in Karnataka which were hundred times graver than those of former Defence Minister Bansi Lal, Opposition Leader in the Assembly H. D. Deve Gowda said yesterday.

Replying to felicitations offered to him by the Hassan District Youth Association, he said that the Centre should divert its attention to South India also and book those who had committed serious irregularities. There were many corrupt politicians here also who deserved to be put behind the bars.

Giving an instance, Sri Deve Gowda said that a Minister in the Devaraj Urs Ministry had declared while filing his assets that he had cattle worth Rs. one lakh. While his cattle wealth was Rs. 25,000 in 1973 and Rs.18,000 in 1974, it had increased to Rs. one lakh in 1975.

Without naming the Minister, he said that inspite of opposition Sri Urs had taken the member, who hailed from Hassan, into the cabinet. Similarly, Sri Azeez Sait too had been taken back into the Cabinet inspite of charges against him before the Grover Commission.

Sri Urs, he said was behaving in an "arrogant manner" just because he thought that no body could question him as long as he enjoyed the support of the legislators. But he had kept these legislators as bonded labourers. Sri Sriramulu, who recently resigned from the Ministry, had himself said this, he said.

At no time during the last 30 years, 10 Ministers had resigned from a Ministry as it had happened now. But, Sri Urs was still holding on to power, Sri Gowda criticised

The Opposition leader also ridiculed the three recent decisions of the Urs Ministry, exemption of land tax, unemployment allowance and scholarship to students. These steps had been taken during the last breath of the Ministry, he said.

Sri M. S. Gurupadaswamy, who was the chief guest, said that the Urs Ministry was crumbling although the Chief Minister claimed that he had the support of the legislators.

Former Vice-Chancellor D Javare Gowda presided Sri V.H Gowda praised the services of Sri Deve Gowda. Sri M. Vasantha Kumar welcomed the gathering

New Turn In Congress Rift

Mysore, Sept. 5

The rift in the City Congress Party took a new turn yesterday, Rural District Congress Committee President S. Puttaswamy, who has been appointed President in additional charge of the City DCC, accusing Sri D. Jayadevaraje Urs of defying the KPCC directives.

In a press note, Sri Puttaswamy expressed his surprise over the statement of Sri Urs on Saturday, questioning his appointment as President of the City DCC. He said his appointment had been made by the KPCC President and Sri Urs had spoken to him personally welcoming his appointment a month ago.

Now to say that his appointment was "illegal" was nothing but a glaring defiance of the KPCC directive. Further, to say that Sri B.N. Kenge Gowda was the incharge President was "utterly false and misleading", he said.

Sri Puttaswamy also described the objection raised by Sri Urs, Sri K. B. Shiviah and Sri K S Suryanarayan Rao over the proposed price resistance movement by the party as "a clear violation" of the direction given by the Congress Working Committee because it was the CWC which had resolved to launch the movement all over the country, he said.

A meeting of the City District Congress workers had been convened by him on Sept. 7 at 5 p m. at the DCC office to discuss the programme for the price rise resistance movement in the city to be launched from Sept. 19, he added.
